

2010 Annual Marriage Seminar

Equally Yoked!

A Christ Centered Marriage

*This Year's Theme is taken from **Matthew 11:29***

²⁹Take My Yoke Upon You. Let Me Teach You! (NLT)

The focus of this Marriage Seminar will be on what it means to be “yoked” with Jesus & your spouse. Jesus taught His Disciples about having Him involved in every aspect of our daily lives, and especially our marriages and families. We’ll be looking at other scriptures as well that deal with this subject, but we’ll primarily focus on what Jesus proclaimed... “*Walk with me and work with me – watch how I do it. Learn the unforced rhythms of grace.*” (MSG)
